

**Award Nomination Form  
For  
Seattle-King County Dental Foundation**

**Description of the Awards**

Each of these awards may or may not be awarded each year. It is at the discretion of the Foundation's Board of Directors, and the recipients will be acknowledged at the Foundation's annual Gala.

- *Lifetime Achievement Award:* This award is presented to the Seattle-King County Dental Society member who has contributed substantially and consistently to the work of the Dental Society and Foundation for at least ten years.
- *Volunteer of the Year:* This award is presented to a volunteer (and not necessarily a member) who has gone above and beyond in working on the Foundation's mission. This award is the highest recognition for volunteer service, and it is designed to promote superior performance among all volunteers. It requires extraordinary accomplishments that have a broad impact across our organization, not merely length of service.
- *Community Partner of the Year:* This award is presented to a non-dentist who has contributed time and/or treasure to the initiatives of the Dental Foundation.
- *Donated Care Award:* This award is presented to the SKCDS member who has made a significant impact on access to dental care through his/her donated dental care in our community.
